

JESUS CULTURE - PART 3A

WORSHIP

1. When the word worship is mentioned, what comes to your mind and why? Do you ever think of something other than God when the word worship come up?

2. Seeing that worship is both temporal and eternal, what are some of the ways in time that you are evolving in your worship in preparation for eternity? Have you ever thought about how eternity will unfold, and what eternal worship would be like?

3. Why do you think that so many people find it easier to passionately give themselves, in worship like-forms, to things like sports, concerts, and other forms of pleasure, yet find it difficult to give the same passion in the worship of God? What are some of the ways that we as a ministry can foster a culture of passionate worship?
