

THE JOURNEY - PART 1

FAITH

1. During The Message on Sunday Pastor Spoke About Faith As *“Knowingly Venturing into The Unknown.”* Have You Ever Stepped Out into What Was Unknown to You as A Sign of Faith? Can You Share Some of This Experience with The Group? What is it Like to Step into The Unknown, And How Does This Really Feel?
2. Pastor Described Faith as Being “Downright Hard!” Do You Agree, and if so, What Has Made Faith Hard for You? Can You Share Some of The Harder Moments of Your Faith Journey, and How You Overcame These Hardships? If Faith Has Not Been Hard for You, in What Ways Has it Been Easy for You?
3. Has There Ever Been a Time Where You Felt Embarrassed Because That Which You Were Believing for Did Not Manifest in The Time Which You Thought it Would? Have You Ever Spoken Something to Others That Did Not Come to Pass? How Did You Handle Such an Experience? What Affect, if Any, Did Delay in The Promise of God Have on Your Faith?
