

## JESUS IN THE SCROLLS - PART 3

### JESUS IN LEVITICUS-NUMBERS-DEUTERONOMY

1. During Pastor's Message on Sunday, We Learned That Scripture Is **Indestructible, Inspired, And Infallible**. By Definition This Means That the Bible Is a Divinely Inspired Unbreakable Whole Which Is Free from Error. Can You Share Any Occasion Where Life Circumstances May Have Challenged You to Think That the Bible Is Not to Be Trusted? Have You Ever Encounter Something in The Bible That You Felt Was an Error, And If So, What? Finally, Why Is It Important to Believe That the Bible Is True?
2. In The Book Of Numbers The Israelites Were Guided On Their Journey By A Cloud And A Pillar Of Fire Serving As A Picture Of Jesus Our Everlasting Guide; The One Who Will Never Leave Or Forsake Us. Have You Ever Felt That the Lord Is Not with You and How Did You Overcome This Feeling? What Advice Would You Give to Someone Who Is Struggling to Believe That God Is Still with Them Even in Their Darkest Moments of Life?
3. Finally, In Deuteronomy Pastor Spoke of The Picture of Jesus Seen in The Second Generation of Israelites Who Entered the Promise Land As A Symbol Of A Second Chance. According To the New Testament Jesus Is the Last Adam, The One Who Redeems Us from The Failure of The First Adam, Giving Us a Second Chance. Can You Share Any Instances on Your faith Journey Where God Has Given You A Second, A Third, Or Even A Fourth Chance. How Has the Grace of a Second Chance Changed How You See and Treat Others Who May Have Failed?
