

## FOUNDATIONS - PART 4

### THE SPIRIT OF THE LEADER

1. On Sunday Pastor Meikle Spoke of The Journey That Goes with Realizing a God-Given Vision. He Spoke About the Duty of The Leader to Manage the Task of Leading While Ensuring That He's Always Listening to God. He Then Spoke About the Subtlety of The Enemy to Provoke God's People into Complaining Along the Journey and The Need for Our Discipline in The Area of Complaining. Spend Some Time Sharing Some Things That May Have or Would Cause You to Complain and How You Have Overcome the Temptation to Murmur.
2. The Scripture Teaches That When God Calls Someone, He Also Deposits Within Them Specific Things That He Requires Them to Do. When It Comes to A Leader, We Were Taught That These Things Are What Make Up the Spirit of The Leader. If Someone Were to Ask You About Our Rhema Vision, What Would You Share with Them? What Are Some of The Things That You Believe God Has Either Spoke to Or Deposited in Pastor Meikle?
3. Proper Placement Within a Vision Requires That What God Has Placed Within the Individual Bears Witness To, Aligns With, And Works in Harmony with What He Has Deposited in The Leader. Spend Some Time Sharing How What God Has Either Called You to Or Placed Within You Is Working with or Can Work with Our Rhema Vision. Do You Feel That Your Calling in Life, Whether Serving Within Rhema or Serving Outside of Rhema, is Aligned with Our Vision?
