

THE VISION GOD GAVE - PART 2

CHANGING AND AFFECTING LIVES

1. As A Ministry, The Mandate of Rhema is to Change and Affect Lives. Pastor Simplified This Mantra in Three Words: **Transformation, Impact, And Excellence**. How Has the Ministry of Rhema Transformed Your Life? In What Ways Has Your Personal Transformation Impacted the World Around You? What New Standards of Excellence Have You Set for Your Life, And How Are You Doing In Attaining These Standards?
2. A Key Component of Changing and Affecting Lives Is Understanding the Scope of The Church. In Psalm 24:1 We Are Told, *"The Earth Is the Lord's, And the Fulness Thereof; The World, And They That Dwell Therein."* As A Believer Do You See the Entire World as Belonging To God? Speaking Candidly, Do You Believe That There Are Areas in This World That Are Off Limits for A Believer? If So, What Would Those Areas Be? The Final Questions Is, How Can We Ensure Our Godly Representation in All Areas of Society and Life?
3. Currently Rhema Is Being Built Upon Three Pillars. These Are, 1. Spirituality, Which Is Introducing the World, One Person at A Time, To Jesus Christ; 2. Education, Which Is Empowering Our World Thru Life-Long Learning; And 3. Philanthropy, Which Is Providing Practical Care for Our World. How Would You Say That We Are Doing? How Can We Improve and Get Better? How Can You Help Us in Establishing These Pillars?
