

THE VISION GOD GAVE - PART 4

THE FOUR LEGS OF VISION

1. In This Final Sermon, Pastor Spoke of The Four Legs Upon Which Our Vision is Carried. The Leg That Sets the Pace of Vision is Known as Prayer. Is it Any Wonder That We're Told To *"Pray Without Ceasing,"* (1 Thess. 5:17). How Often Do You Find Yourself Praying and What Are Some of The Types of Prayers That You Use? Do You Want to See More Prayer Incorporated Within Rhema? Are There Things That You Would Like to See us Spending More Time in Prayer About When We Gather?
2. Another Leg of Vision Is Faith, Which Can be Defined as *"A Firm Trust in What God Has Spoken Through His Word."* Pastor Reminded us That Faith is First Grounded in Who God is (His Being), Which then Extends into What God Does (His Works), And in That Order. How is Your Level of Faith? Has Anything Tarnished Your Faith Over the Years? Do You Feel That You Are Growing in Your Faith? Let's Spend Some Time as A Group Discussing Who God is to us, After Which We Can Share Some of The Great Things That He Has Done in Our Lives.
3. The Last Leg of Vision Is Our Lifestyle, Put Another Way, How We Live Our Lives. We Were Reminded That Our Lifestyle Can Bring About God's Assurance in And God's Affirmation Over Our Lives. Assurance is God's Peace, Even Over Our Enemies, And Affirmation is the Clear Sense That We Are Pleasing to Our Heavenly Father. Would You Say That You Have Seen Evidence of God's Assurance in Your Life, And Are You Confident That You Are His Child, Son or Daughter? What Lifestyle Areas Can You Tighten Up and What Areas Are You Spiritually Excelling in?
