

Attributes of The Body of Christ

(Ephesians 2:1, 2 Corinthians 5:17)

VHG Discussion Questions

4. Christ's Power – The Holy Spirit

Summary:

The source of Christ's power is the Holy Spirit, who anoints, transforms, and enables submission and sacrifice. Through the Spirit, believers receive the same power for transformation, obedience, and service, reflecting Christ's life and strength in the world.

Discussion Questions:

- In what ways can we experience the anointing of the Holy Spirit in our personal and community life?
- How does submission to God unlock greater spiritual power in a believer's life?

5. Christ's Excellence – The Original State

Summary:

Excellence in Christ reflects His nature (perfection in thought, word, and conduct), His character (fruitfulness in love and relationship), and His mission (multiplication of disciples and expansion of God's Kingdom). Believers are called to embody Christ's excellence by striving for holiness, bearing fruit, and multiplying through evangelism and discipleship.

Discussion Questions:

- How can we pursue excellence in speech, conduct, and mindset without falling into perfectionism?
- What role does discipleship play in multiplying Christ's mission in today's world?
